## EFFECTIVE PERIOD

January 1, 2019 - December 31, 2019

## ELIGIBLE PARTICIPANTS

Territory Managers (TM's) for Trane Independent Wholesale Distributors ("IWD").

In order to be eligible for the 2019 Top Ten Sales Incentive Plan, TM's must meet all of the following criteria:

- 1) TM must have been responsible for an outside sales territory since June 1, 2018.
- 2) 100% realization of TM's 2019 Total Trane and Ameristar Gross Sales Billed plan.
- 3) TM's must generate a minimum of \$3.0M in 2019 Gross Sales Billed dollars.
- 4) TM Gross Sales Billed plan for 2019 will be measured against a minimum of \$3.0M in Trane and Ameristar product sales. If TM Gross Sales Billed plan is less than \$3.0M, performance will be measured as if \$3.0M was the TM Gross Sales Billed plan for the territory. Plans greater than \$3.0M will be measured against actual plan.
- 5) TM's must generate a minimum of \$300,000 in 2019 New Dealer Development dollars.
- 6) New Dealer Development will be measured by total New Dealer sales of Trane and Ameristar product as compared to previous years where it was ranked as variance to plan.

## TOP TEN GROUPS

Territory Managers will be divided into 2 groups based on Territory Size.

### IWD

- Group 1 Territory Size: Above \$4,000,000
- Group 2 Territory Size: Below \$4,000,000

Within each group there will be a similar number of participants. The Top Ten percent of each group will be determined to be the winner based on the criteria outline in the Plan Metrics, Weighting, and Scoring section.

## PLAN METRICS, WEIGHTING, AND SCORING

- 1) Territory Manager will earn performance points in two individually weighted metrics:

PLAN METRIC	WEIGHT	SCORING
1. Total Revenue Sales	70%	Dollar variance to plan
2. Total New Dealer Development Dollars	30%	Current year new dealer sales plus second year new dealer growth dollars. <i>To be counted as current year new dealer business, each new account must purchase a minimum of \$50,000</i>

- 2) Performance for each criterion (listed in Eligible Participants section above 1-6 above) will be individually ranked. Then each metric will be multiplied by their assigned weighting as listed in the chart above.
- 3) Plans for Residential and Light Commercial sales for the entire IWD office were communicated by the Trane Regional Managers to their respective IWD. Plans for the Territory Managers are set locally by the IWD office, and have been approved by the IWD Regional Manager and communicated to the TM. Individual TM plans must collectively equal the IWD's net overall budgets after accounting for inside sales volume and dealers assigned to sales leaders.
- 4) All IWD TM plans are based on IWD submitted TM Budgets within the Monthly Data Collection form, and must be on file with Zoe Emerson & Angie Worrall.
- 5) IWD's must report individual TM performance using the "Monthly Data Collection" form. YTD updates are due by the 9<sup>th</sup> of the following month to the Regional Manager.
- 6) Top Ten standings will be posted on TraneNet between 30 to 40 days after month end. Final standings will be posted by January 31, 2020.
- 7) Any account assignments made during the course of the year that has an impact on sales plans must be communicated to the Regional Manager. IWD's must send an updated TM Justification worksheet to Zoe Emerson & Angie Worrall. **Any plan changes will require the approval from the Trane IWD Regional Manager and Kevin Baxter.**
