

COMING SOON: MAJOR IMPROVEMENT TO LINE SET AVAILABILITY

What's Happening:

Differentiated availability on core line set SKUs.
First Order Date—Late January 2020

(View product specifications on page 2)

BENEFITS:

- ▶ Consistent in-stock availability on core SKUs
- ▶ Leverage single truck deliveries for line sets and equipment

TERMS:

- ▶ Orders must be placed through your Supply account
- ▶ Stock orders will ship based on standard equipment delivery cadence
- ▶ ERO/RO order options available, standard terms and conditions apply
- ▶ Non-stocked items subject to standard vendor lead times

Act Now:

Work with your Regional Manager to establish a business plan and demand forecast, so we can best accommodate your ordering needs
